An act to amend Section 1903 of the Streets and Highways Code, relating to streets.

LEGISLATIVE COUNSEL'S DIGEST

AB 2436, as introduced, Cedillo. City streets: assessments.

Existing law authorizes the legislative body of a city, by a resolution adopted by a 4/5 vote, to determine that an assessment levied against property for a street improvement is in excess of the benefits derived by the property from the improvement and to use an appropriation of public funds to reduce the assessment. Existing law specifies the types of funds that may be appropriated in this regard.

This bill would make nonsubstantive changes to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
